

# Monterey Lo-Lo Bed

Designed specifically for Aged Care and in-home environments with a super low height of 16cm. The Monterey Bed offers all the functionality and benefits of a clinical bed with the aesthetics of normal bedroom furniture. The Monterey comes standard with removable curved profile beech timber head and footboards. We also offer a choice of buttoned or fluted padded head and footboards.

Available in **Single** and **King Single**.

The **Linak electronic** drive system is controlled by an easy to use and understand **handset**.

**Mattress retainers** on four corners prevent your mattress from shifting when bed is adjusted.

$\frac{3}{4}$  Tubular fold-down horizontal **handrails** can be easily removed or clamped on.

The built-in bed **extension** adds an extra 19.5cm to the mattress base length.

- 4-Sectioned mattress platform
- Independent adjustment of
- Mattress platform height (16 - 70cm)
  - Backrest angle (0° - 70°)
  - Knee break angle (0° - 35°)
  - **Trendelenburg** head/foot tilt (0° - 14°)
- Easily removable sheet steel deck panels (facilitates maintenance and servicing)
- Super low lo-lo bed (16cm)

The Monterey is supplied standard with the curved profile beech timber finish head and footboards. Other options are available on request and HospEquip can work with you to customise your head and footboards to suit your design requirements.
