

VENOSAN® 6000

Affordable & Compliant

FEATURES

- Breathable
- Sits perfectly
- Complies with medical requirements
- Ease of care

BENEFITS

- Our development team took up the challenge to prove that medical compression stockings do not have to be designed only with the elderly in mind. The result is a stocking which is sheer and elegant, an indispensable companion for the modern person.
- Thanks to its sheerness and the special yarn combination, VENOSAN® 6000 offers a feeling of well-being no matter what the temperature.
- The 4 sizes and 2 lengths, combined with the highly elastic yarns, make for a stocking which sits perfectly on the leg and allows full freedom of movement in all situations.
- VENOSAN® 6000 can be machine washed, like all modern textiles today.

VENOSAN® 6000 Size Chart (cm)

For an accurate fit to your exact measurements, use the chart below.

Circumference	Small	Medium	Large	X-Large
cB Ankle	20–22 cm	23–25 cm	26–28 cm	29–31 cm
cC Widest part of calf	30–39 cm	33–41 cm	36–44 cm	39–47 cm
cD 4 cm below the knee	29–38 cm	32–40 cm	35–43 cm	38–46 cm
cG Thigh	49–63 cm	54–66 cm	58–70 cm	63–74 cm
Length				
ID AD/ADH	short	34–39 cm		
	long	39–44 cm		
IG AGH	short	59–67 cm		
	long	68–78 cm		
IK AGG/AT	short	67–74 cm		
	long	74–85 cm		

VENOSAN® 6001

Compression
CLASS I

Pressure at the ankle
18–21 mmHg

Material: 70% Nylon Polyamide,
30% Elastane
